Drivers that are coaching or directing an activity and also driving for the activity will be paid for driving time only. Driving time includes time stopped for refueling, minor maintenance, or breakdown.

Hourly rate for all drivers, including those who are coaching or directing, is \$15.00 per hour. Time is computed from the time of departure to the time of return. Overnight trips are not to exceed 12 hours of pay in a 24-hour period. The 24-hour period begins at the time of departure from Wall. Bus drivers will receive a minimum pay of \$60.00 for each trip.

If a potential bus driver commits to driving bus for the Wall School District, the Board will pay for the fees related to the initial processing to obtain a CDL license including the physical. The Board will pay for renewal physicals as long as the driver continues to drive for Wall school activities.
