

MINOR BOUNDARY CHANGE

Whenever a boundary change petition is presented, the board is to be provided information in addition to the information requested by state law.

- a. Number of school-age children affected including the schools they are presently attending, ages of children affected, and number of preschool children;
- b. Financial impact on Wall 51-5;
- c. Reasons why petition is requested;
- d. Number of people eligible to sign the petition in the area and the number of those signing.
